

Chief Financial Officer

CIRM was established in 2004 with the passage of Proposition 71, the California Stem Cell Research and Cures Initiative. The statewide ballot measure, which provided \$3 billion in funding for stem cell research at California universities and research institutions, called for the establishment of an entity to make grants and provide loans for stem cell research, research facilities, and other vital research opportunities. The Institute's mission is to support and advance stem cell research and regenerative medicine under the highest ethical and medical standards for the discovery and development of cures, therapies, diagnostics and research technologies to relieve human suffering from chronic disease and injury. For more information, please visit www.cirm.ca.gov.

CIRM is seeking exceptional candidates for the position of Chief Financial Officer (CFO), reporting to the Chief Operating Officer and is responsible for overall financial matters of the California Institute for Regenerative Medicine. The CFO is a key member of CIRM's senior management team.

Requirements

- Bachelor's degree in business administration or a related field and ten years of increasingly responsible professional experience in the management of financial operations or an equivalent combination of education and experience.
- Sound technical skills, analytical ability, good judgment and strong operational focus.
- Strong organizational skills.
- Self-directed individual who can effectively work as a team player.
- Ability to relate to people at all levels of an organization and possesses excellent communication skills, both oral and written.
- Excellent negotiating and presentation skills.
- A decisive individual who possesses a "big picture" perspective and is well versed in systems.
- Demonstrated ability to simultaneously manage multiple, complex projects in varying stages of development under time pressure.

Desired Qualifications:

- Knowledge of the organization and functions of the California State Government.
- Experience with funding, planning and construction of capital projects related to biomedical research.
- Experience in scientific research or granting organization.
- MBA
- Experience working in or with state government agencies.

Qualified applicants are invited to submit a cover letter, CV, and California state application (http://www.cirm.ca.gov/jobs/pdf/state_app.pdf) to: jobs@cirm.ca.gov. (electronic applications only please) If you have any questions please contact acampe@cirm.ca.gov. The position is open until a suitable candidate is found.
