***MONTHLY SALARY:**

PLEASE NOTE that the actual monthly compensation to be paid to the successful candidate will be determined with reference to the experience, knowledge, skills, and abilities of such candidate, and is further subject to budgetary constraints and considerations and will be at the discretion of the Governor's Office.

FINAL FILING DATE:
March 26, 2010

Under the general oversight of the Chief Deputy Secretary, Division of Correctional Health Care Services (DCHCS) the Director, Statewide Mental Health Program is responsible for planning, developing, implementing, and setting policies, standards, training programs and monitoring mechanisms for a Mental Health Program that serves over 48,000 inmate patients with upwards of 3,000 mental health staff. The Director will play a significant role in transition and liaison activities between the Office of the Receiver and DCHCS. This position will manage the evaluation of program performance and regional mental health care. **Travel is required.**

Typical duties include the following:

- Manage and direct the statewide Mental Health Delivery System at the California Department of Corrections and Rehabilitation (CDCR) institutions, including inpatient and outpatient services, chronic care coordination and case management. The Director will ensure that program delivery is consistent with community standards, legal mandates, and CDCR goals; will be the primary Mental Health Program liaison for the Division, establishing and maintaining relationships with a wide variety of public and private stakeholder groups; will act for the Chief Deputy Secretary in his/her absence on all matters effecting the Division; and will serve as a high-level health care executive for the CDCR, participating in strategic planning efforts, steering committees and subcommittees, including a performance management committee, providing input into the evaluation and improvement of all CDCR health care programs.

- The Director is the primary transition manager and liaison with the Office of the Receiver on all matters pertinent to the Mental Health Program. This includes mental health care policies and administrative issues. The Director will serve as lead adviser on Mental Health Program implementation and improvement, advising the Chief Deputy Secretary of opportunities for improvement and barriers to the effective implementation of statewide policies, procedures, programs, and processes.
- Ensure compliance with mandated court orders in the mental health arena as well as maintaining coordination of the court ordered mandates under the Coleman Special Master, Receivership, and with all stakeholders; and will oversee the development of and approve creative programmatic approaches to assess and treat mental health disorders, as well as development and approval of clinical policies and treatment protocols related to the delivery of the mental health services.
- The Director will assist the Chief Deputy Secretary in ensuring that all applicable laws, regulations, and administrative policy decisions are successfully implemented throughout DCHCS.
- The Director will represent the Department as the primary liaison for mental health with outside stakeholders on matters involving DCHCS before the Legislature, national forums, and meetings with legislators, the Governor's Office, the Department of Finance, Division of Juvenile Justice, and regulatory agencies.
- The Director will provide leadership to staff in the effort to design and initiate processes to improve efficiency in the use of mental health resources; will evaluate, hire, train, and motivate high level executives in the Division at the Career Executive Assignment level, including mental health Regional Administrators and will have administrative oversight for mental health practices for all 33 institutions.
- Facilitate and lead inter-disciplinary teams involving staff from a wide range of classifications that perform strategic planning, data collection and analysis, and other program evaluation and improvement activities.
