

**CALIFORNIA STATE BOARD OF EQUALIZATION
EXECUTIVE DIRECTOR**

The California State Board of Equalization (BOE), with headquarters in downtown Sacramento, is seeking an established leader to serve as the new Executive Director. BOE is the nation's only elected tax commission and administers programs in the areas of sales and use taxes, property taxes, special taxes, and the tax appellate program. The Executive Director directs approximately 4,000 agency employees and an operating budget of approximately \$408 million.

The ideal candidate understands national and international trends in taxation and their impacts on California and works well within the political environment. Candidates should have a high level of integrity and be inclusive, transparent, and engaging with constituent groups while providing credibility within the tax community. Additionally, those individuals who possess initiative, sound judgment, and adaptability will be viewed favorably.

The annual salary range for the position is **\$142,965 – \$150,112**. Placement within the stated range will be based upon the selected candidate's experience. In addition, BOE offers a comprehensive benefits package.

The final filing date is **Friday, October 22, 2010**. An information brochure is available by contacting:
