

CALIFORNIA HIGH-SPEED RAIL AUTHORITY

Title: Northern California Regional Director, Exempt

Salary: To be Determined by Qualifications

Final Filing Date: Until Filled

Job Description: As a member of the executive management team, the Northern California Regional Director, advises and assists the Chief Executive Officer of the California High-Speed Rail Authority (Authority) in the implementation of the high-speed train project. The Regional Director is responsible for ensuring the high-speed train project in Northern Region (San Francisco – San Jose, San Jose – Merced) continues forward on the planned schedule and budget by developing and maintaining relationships with local residents, policy makers and Authority consultants and by building strategies for communicating with local advocates to foster their continued involvement and support. The Regional Director will generate innovative ideas, originate action without instruction, and establish goals and priorities in the development of programs.

WHO MAY APPLY: Eligible candidates whose experience qualifies them for the position. All interested applicants must submit a standard State Application Form STD 678 (with original signature) with resume and references.. Only the most qualified candidates will be interviewed.
